

INvolve Hall of Fame policy

- Following three consecutive years in the top ten of a single INvolve Executive or Advocate List, Role Models will be promoted to the Hall of Fame
- Hall of Fame honourees will be listed on INvolve's website alongside summary of which List and years they featured that gave them Hall of Fame status
- Hall of Fame honourees will be offered the chance to become a judge for the List which gave them Hall of Fame status
- After 2 years in the Hall of Fame, honourees are invited to either;
 - Complete a brief 'renewal' form to retain their status for a further 2 years (this provides an opportunity to ensure we have correct details and remain engaged with Hall of Fame honourees). Those who are retired are able to reapply to retain status.
 - Decide not to renew, and reapply for inclusion in the main Lists
- If an honouree decides to not renew or INvolve receives no response, then participants are removed from the Hall of Fame and dropped into a list at the bottom of "former Hall of Fame honourees."
